The lesson fee is paid the first of every month, unless other arrangements are made prior to application. Make up days are allowed when weather or other circumstances occur. Some months there will be a difference in fee due to the number of weeks per month (for example: 4 weeks in a month = \$180.00 and 5 weeks = \$225.00, based on the group fee).

I am prepared to assist your child or you in learning as much as possible about horses and horse management. Communication is key to success in any learning experience. It is very important that you let me know if there are any medical conditions that affect the student. Please read everything carefully and if you have any questions, do not hesitate to ask. I look forward to working with you and your family.
